

# Sponsor T-Shirts

*Thank you for  
supporting our athletes*

*The sponsor t-shirt fundraiser is a great way to offset your athlete's fees and get a great team t-shirt in the process. For \$20, each of your sponsors will get a line of 35 characters (no phone numbers, please) to say whatever they want on the back of our team t-shirt. The first \$20 sponsor will pay for your shirt. After that, 100% of your profits go to your athlete's fees.*

*The process is simple. Starting today, ask local businesses, co-workers, friends, family members, etc to put a message on your shirt. Print the messages (up to 35 characters) on the order form and hand it in no later than March 28th, along with payment (\$20 per sponsor, and any additional t-shirts). \*\*Due to time constraints, we cannot accept any orders past deadline.\*\**

*You will find the t-shirt order form attached. The first \$20 sponsor will get you, the athlete, a free t-shirt. Please make sure you order your size and indicate the name you want in block letters on the back of the shirt (nickname, last name, etc). If any friends, sponsors or family members would like to purchase a shirt, use the t-shirt order form (pricing is provided).*
